Short Video Production and Operation, New Media Planning and Operation, Online Marketing Strategy and Creativity, Brand Planning and Promotion in New Media, Photography and Videography, Digital Image Creativity and Design, Online Public Opinion Monitoring and Analysis, Introduction to Journalism, Cross-Border E-commerce Operation and Content Creation. (Bachelor)

WORKING EXPERIENCE

Zhejiang Hithink RoyalFlush Information Network Co., Ltd. | Overseas Social Media Operations

Jan 2026 – Apr 2026

- Managed TikTok, Instagram, and Facebook accounts, deeply utilizing AIGC tools (ChatGPT, Gemini, Claude, Sora, Midjourney) for trend analysis, scriptwriting, and material generation to establish an efficient content production SOP.
- Integrated AI into the short video editing process, accurately controlling video aesthetics and pacing to reduce costs, increase efficiency, and significantly shorten production cycles.
- Localized and polished content based on the characteristics of overseas social media platforms, analyzed account performance data, and continuously generated optimization strategies to improve exposure and engagement rates.

Beijing Kingsoft Office Software Co., Ltd. | Project Operations Intern

Sep 2025 – Dec 2025

Project Operations Intern

- Developed user-facing documentation (product activation guides, manuals) to support product delivery and customer training.
- Independently authored, formatted, and published official WeChat public account articles; created marketing materials (posters, short videos).
- Optimized product materials and produced educational industry-specific application case studies to drive adoption.

Guangzhou Dianhui Network Technology Co., Ltd. | Cross-border E-commerce Operations

Jan 2025 – Jun 2025

- Independently handled product photography, post-production editing, and publishing; managed daily operation and optimization of TikTok and other platform accounts.
- Monitored and analyzed account data and adjusted content strategies based on data feedback.
- Increased monthly account exposure by 120% and inquiries by 80% through optimized video content and layout, significantly improving conversion rates.
- Produced over ten viral videos with millions of views across various industries and increased click-through rate of promotional videos by 35% and boosted related product GMV by 25% for a new store.

CERTIFICATION & SKILL

- **Certificates:** CET-6, CET-4 (fluent in English listening, speaking, reading, and writing)
- **Platform Operations:** Proficient in TikTok Shop backend operations; familiar with Amazon and Temu platform rules and operational strategies.
- **Data Analysis:** Skilled in using Excel (PivotTables, VLOOKUP) and Google Analytics ; able to identify issues and drive optimizations.
- **Digital Marketing:** Experienced in TikTok and Amazon SP ad campaigns; adept at driving external traffic through influencer collaborations and social media content matrices (TikTok, Instagram).
- **Language Skills:** Basic proficiency in Japanese, French, and Spanish; understanding of cross-cultural habits across different countries and regions.

SELF-ASSESSMENT

A proactive final-year student with multi-platform operational experience in both tech product and cross-border e-commerce settings. Combines hands-on expertise in overseas social media marketing, data-driven campaign optimization, and localized content creation with foundational skills in multiple languages and a cross-cultural perspective. Eager to contribute to global marketing and user growth initiatives in a dynamic, international environment.
