WORKING EXPERIENCE

Beijing Kingsoft Office Software Co., Ltd. | Project Operations Intern

Sep 2025 – Jan 2026

Project Operations Intern

- Assisted in planning and executing user activation campaigns, contributing to increased user engagement and project delivery efficiency.
- Independently authored, formatted, and published official WeChat public account articles; created marketing materials (posters, short videos).
- Developed user-facing documentation (product activation guides, manuals) to support product delivery and customer training.
- Optimized product materials and produced educational industry-specific application case studies to drive adoption.

Guangzhou Dianhui Network Technology Co., Ltd. | Cross-border E-commerce Operations (B2B)

Jan 2025 – Jun 2025

- Independently handled product photography, post-production editing, and publishing; managed daily operation and optimization of TikTok and other platform accounts.
- Monitored and analyzed account data and adjusted content strategies based on data feedback.
- Increased monthly account exposure by 120% and inquiries by 80% through optimized video content and layout, significantly improving conversion rates.
- Produced over ten viral videos with millions of views across various industries.
- Increased click-through rate of promotional videos by 35% and boosted related product GMV by 25% for a new store.

Xi 'an Zhenginzhiyou Technology Co., Ltd. | Cross-border E-commerce Operations (B2C)

Oct 2024 – Dec 2024

- Managed product selection, TikTok store optimization, and video production to enhance product appeal and store performance.
- Assisted in developing and executing marketing strategies to increase store traffic and user retention.
- Increased click-through rate (CTR) of promotional videos by 35% and contributed to a 25% GMV growth for key product lines.

CERTIFICATION & SKILL

- **Certificates:** CET-6, CET-4 (fluent in English listening, speaking, reading, and writing)
- **Platform Operations:** Proficient in TikTok Shop backend operations; familiar with Amazon and Temu platform rules and operational strategies.
- **Data Analysis:** Skilled in using Excel (PivotTables, VLOOKUP) and Google Analytics ; able to identify issues and drive optimizations.
- **Digital Marketing:** Experienced in TikTok and Amazon SP ad campaigns; adept at driving external traffic through influencer collaborations and social media content matrices (TikTok, Instagram).
- **Language Skills:** Basic proficiency in Japanese, French, and Spanish; understanding of cross-cultural habits across different countries and regions.

SELF-ASSESSMENT

A proactive final-year student with multi-platform operational experience in both tech product and cross-border e-commerce settings. Combines hands-on expertise in overseas social media marketing, data-driven campaign optimization, and localized content creation with foundational skills in multiple languages and a cross-cultural perspective. Eager to contribute to global marketing and user growth initiatives in a dynamic, international environment.
